Our Paddywagon tour will be a laid back coastal drive (clockwise), Dublin to Dublin, seeing many of the main sights and towns the Emerald Isle has to offer; including beautiful '50 shades of green' rolling hills, sheep galore, beaches along the famed Wild Atlantic Way, Game of Thrones scenery, and of course lots of pubs!

Emerald Isle Tour Update: it's SOLD OUT!

We have a great group of 23 signed up for the trip and more than half of the group has added on other destinations while over there.

Add-ons such as a 13-day UK tour, 4-days in Scotland, and a week in Spain are just a few of the other trip that our Ireland Adventurers are planning!
