

Flying U Ranch Weekend

Flying U Ranch Weekend

Friday September 15 - Sunday September 17

Join me at The Flying U Ranch, Canada's oldest Guest Ranch, as we step back in time 100 years for an adventurous outdoor weekend. Located on 6,000 acres of pristine pasture with waterfront on Green Lake, you do not have to be a horse lover nor a rider to enjoy this weekend retreat.

Our accommodation will consist of authentic log cabins with wood-burning stoves and log furniture. We have booked the Bunk House which sleeps 7 and has indoor plumbing for the first 7 to sign-up! The ranch offers a variety of activities such as guided rides, riding lessons, hay rides, kayak rentals, complimentary canoes, fishing, swimming, hiking, horseshoes, badminton, and an authentic saloon (adult-only) to unwind in. The ranch has recently acquired the Marmot Ridge Golf Course (9-hole). How about a round of golf and a day of riding to fill up your weekend?

- Important: The Flying U Ranch offers a variety of other activities to fill your weekend. All fees & services for activities booked during your stay will be the sole responsibility of the member/guest to pay.

- Please inform the Coordinator of any food allergies at time of sign-up
