

Blue Lake Camping

Blue Lake Camping Weekend

Friday September 1 - Monday September 4 (3 nights)

This is the last camping weekend of the summer! Let's get together for a weekend of fun and merriment! We have booked the Lodge at the resort so if you don't want to think about a tent or trailer, then this is the trip for you!

All you will need to bring is your bedding, clothes and food. The Lodge has 11 bedrooms and will sleep up to 25 guests. It also has a huge deck, fire pit and a hot tub!

We will have a club dinner on Saturday night and everyone is invited. The cost is \$15.00 and is included in the Lodge weekend rate. If you are not staying in the Lodge, please contact the coordinator to pay for the dinner. We will also have a pot dinner Sunday night to finish any leftovers. If you want to bring something to contribute, it's definitely welcome!

For those that prefer, there are cabins and sites for tents and RV's. The resort is not booked out for the clubs, so you will have to contact the resort directly to book any of these. Any empty sites will be open to the public so I suggest you call and book early to reserve the best spot. We can place 2 tents into one site. Their website is www.bluelakeresort.ca.

The resort has many amenities: beach, fishing, boat rentals, hiking and nearby ATV trails. Last year, many of us hiked up to "the Lookout" located high above the campground where the views are spectacular. Maybe this year a golf game?...stay tuned.

We will also try to put together some "fun" games to play over the weekend...join in, or just relax. It's entirely up to you! Ideas for a simple, fun game would be appreciated.

Get your friends together; come on your own. It's going to be great fun!

Date:

September 1 - 4 (3 nights)
