

Lizanne's 17th Annual Girls Only Weekend

July 7 & 8 - Lizanne's 17th Annual Girls Only Weekend

SOLD OUT

Calling all women! Need to get away? Want to escape from all life's daily stresses? Here is your chance to escape for a weekend at Whistler and join some amazing women in the process. Come join us for a weekend get-away at the cabin. New members are welcome!

For those of you who arrive in time for dinner Friday night, we will either be heading to one of the local hangouts in the village or we will order in (all depends on what the group feels like).

We will be having the group potluck for breakfast and dinner on Saturday again this year. Lizanne will be in touch via email to all participants to coordinate food.

Please feel free to email me if you have any questions and I look forward to seeing you there!
