

# Pub Night

Friday January 19 - Pub Night

Guildford Station is a great pub that fills up quickly. They have a great food menu and delicious food. Let's cheer in the new year and erase those January blah's!

There may be an 18% gratuity automatically added to bill, depending on size of our party so I will advise when you arrive at pub. As the pub is always full to capacity on Friday's, only those that RSVP will be saved a seat.
