

## Curry with Murray

Saturday March 3 - Curry with Murray

Is the winter cold chilling you to the bone? Then you need to "Curry with Murray"!

Please consider joining me for a very unique evening at the Whistler Cabin enjoying the special flavours and aromas of East Indian cuisine.

After a fun day of skiing (or whatever) bring your hearty appetite and be prepared to sample various dishes inspired by my love of foods from India and North Africa.

Just like my previous curry dinners, I will have a variety of dishes to sample. For those of you new to Indian cuisine, please rest assured that the "heat" level will vary from mild to spicy and I'll label the dishes accordingly.
