

Ski the French Alps

Les Trois Vallees - Ski the French Alps

Friday March 9 - Saturday March 17

We will fly to Geneva, then take a bus to Courchevel, France and the Les Trois Vallées ski region, in the heart of the French Alps. Epic passholders are eligible for several days of free skiing at nearby resorts, including Val Thorens, Courcheval, Les Menuires, and Val d'Isère.

With the time changes and logistics, we are planning on five days of skiing. Please note that we are staying in a small, European-style dorm room with four bunk beds. It has a kitchenette, one bathroom and a very small common area. Welcome to Europe! LOL

Please contact me for more details. Most arrangements have already been confirmed and reserved. A good budget to use for the entire trip costs would be in the range of \$2000 CAD for transportation and accommodations, not including any food or lift tickets.
