

About Us

Beginning as a ski club in 1971, the Inside Edge Club became a registered non-profit society in 1981. The Inside Edge Club offers members many sports and social activities year-round.

The Inside Edge Club is a registered society under the B.C. Society Act. Due to the inherent risks associated with any sport activity, the Act requires that each member must be legally responsible for their actions. As such, the constitution of the Inside Edge Club requires that all members be at least 19 years of age.

We are a volunteer run club. All event coordinators and club directors (Executive and Trustees) give their time freely for the enjoyment of all.

Since its humble beginnings as a ski club back in 1971, the Inside Edge Club grew to be one of Western Canada's largest social and recreation clubs of its kind. Activities you can join include hiking, cycling, camping, dances, dinners, theatre, baseball, car rallies and kayaking to name a few.

Meet new friends and enjoy the many events held each week throughout the year. Monthly club nights provide a way to catch up with friends and sign up for events.

Our exclusive, members only Whistler Lodge is available for you to enjoy. Events at our lodge include fun theme nights and parties, Thanksgiving, Christmas and New Years Eve and many more. Your first year's membership includes one night free stay at our lodge. Located just 15 minutes walking distance from Whistler Village and next to Nesters Market, the lodge is conveniently located close to all amenities.
