

Season Opener Hot Pot

Saturday November 30 - Season Opener Hot Pot

If you have never had or enjoyed a Chinese hot pot then why not come out to the lodge and try something new.

The Chinese hot pot is a broth fondue: there will be broths with different flavors where you will cook noodles, seafood, beef balls, shrimp balls, thin sliced beef, and vegetables.

Once the food items are cooked, you scoop them from the broth, dip them in a tasty sauce and enjoy. It is a very social meal so conversations will flow, that is of course if you are not too busy eating!
