There may still be snow on the mountains but the Softball Committee has been busy planning for this summer!

New for 2018 is online registration. That's right, you will be able to register online to play softball with the Inside Edge Club. (It will be up and running around February 7th.) However, you will still be able to sign at our upcoming Club Night's (first Thursday of the month at the Firefighter's Public House).

The softball league is a fun league with the main goal being camaraderie and the joy of sport. It uses a mixed male and female format (7 males & 3 females on field). Players of any level are welcome as teams are reshuffled each year.

The regular season will start in late April and go until early August. All regular season games are played on the all-weather field at Gladstone Secondary School. Games are played on Mondays and Wednesdays at 6:30 pm. The season concludes a two-day championship tournament held on grass at Squint Lake in Burnaby on August 11th and 12th.

There were a number of people who weren't able to find a team last year so we encourage you to sign up ASAP to ensure you get placed on a team.

For those unfamiliar with the Inside Edge Club, you will find this is one of our most popular sports. There are endless opportunities to meet other members and make new friends with the Inside Edge Club. Minimum age is 19 years of age...there is no maximum age and we have players both young and old. No skill or previous experience is required... bring your partner and you can join the same team.

For payments options, we accept credit card, cash and cheques.

If you are considering being a member, there are other advantages to being an Inside Edge Ski Club member other than skiing... we play indoor volleyball, beach volleyball, badminton, kayaking, camping, biking...and we own a cabin in Whistler that hosts all kinds of social activities/events. In fact, you can plan your own! Please feel free to go to our

website and check us out at www.insideedgeclub.bc.ca

For further info, please contact us at softball@insideedgeclub.bc.ca and we will be more than happy to talk to you or send you the softball registration form. Fun and adventure are awaiting you... are you game?

Online Registration

We've contracted with Active Network to handle our online registration. You'll need to create an account there before registering. To receive member pricing you'll need a discount coupon code that you can receive from Chris (softball@insideedgeclub.bc.ca) or Hilmar (webmaster@insideedgeclub.bc.ca). Active Network handles a wide variety of sports so it's set up with guardians, family members and a shopping cart where you can sign up the entire family in one transaction. We don't need any of that but you'll still step through the questions.
