

Canada Day Fireworks

Sunday July 1 - Canada Day Fireworks and Boat Cruise

What better way to celebrate Canada Day and enjoy the Fireworks than with your friends from Inside Edge on a private boat cruise.

Your ticket gets you on our boat called "Someday". This is a 4.5-hour cruise out of False Creek over to Burrard Inlet where we can see the Fireworks go off at 10:00 pm. We will return to the dock around midnight.

Great music, complimentary light snacks and soft drinks will be provided and alcoholic drinks are available for sale. Tickets for drinks are: glass of wine: \$7.00; beer: \$5.25 each, per our liquor permit rules. Please remember to bring CASH for alcohol sales on the boat. Wear red and let's enjoy our boat cruise around the harbour for Canada Day!

Remember: we only have 47 tickets available. Take public transit, get off at the Stadium/Chinatown Station and walk over to the Plaza of Nations or car pool to cover your parking costs and park around the Plaza of Nations.
